My dear Mrs. Chapman,

Your answer to Query 409 in regard to the Adams family in the Atlanta Georgian was gladly recieved by me.

I am all mixed in the Adams family of Halifax Co.Va. from which your article refers. Since there are two John Adams in Halifax I am unable to get them correct. Kindly help me by quoting from Reliques of the Rivers by Childs--which I am not able to get. Does he give any Childs genealogy with it- My g.g.Grand Mother was Lucy Childs of Granville Co. N.C. the dau. I think of Nathan, or brother.

~~A John Adams of Halifax Co. Va. d. 1769, mentions his wife Eleanor and sons~~ William. John, George, Joshua, daus. Elizabeth, Mary and Martha but I heard to day that George had two brothers Sylvester and Nathaniel, if so they are not mentioned in the will.

The American Genealogy Mag. mentions the other John Adams(traditional)-said to have come from Wales to Md. before 1750 later removed to Va. m,- and had I-Sylvester, Philip and John who settled in Halifax Co.Va. about the time of its organization, supposed to have m. Susan Wood the dau. of Richard.

Can you give me the history or data of these Johns? Do you know the parents..

Kindly help me all that you can. The Ist John, is he related to the Robert adams and Lynch families?

You will notice the heading of the letter.
We would like for you to send in all your data on the Chapman family and take up a correspondence with Mr/ Lee who has this in charge at present.

May I have an early reply, I will gladly send you any data that I have on the Adams family. My people came almost directly from Halifax to Ga.

With best wishes,
Yours truly,
Jeannette Adams Godby.

Please excuse red ink-my black is too dim
